

Gabriel: Form Three - 2018

My name is Gabriel. I am a Form Three student in St. Josephine Bakhita Secondary School. I am nineteen years old from Kagumu village. I joined St. Josephine Bakhita in 2016 in Form One. I have been in school for three years and acquired a lot in academics.

The school plays a big role in making sure that the talent of students is nurtured. The teachers offer guidance. They also ensure there is enough time for recess and after school activities to ensure no young talent is left behind. I am hoping that my dreams of becoming an artist are achievable.

The school also provides spiritual development to ensure that we become responsible people in the future. This goes hand in hand with the school mission which aims at enhancing mental and spiritual excellence.

My great thanks goes to the management and the staff members of St. Josephine Bakhita Secondary School for their effort to ensure me that I will become successful in future.
