

Jane: Form Two - 2018
MY SCHOOL, MY PRIDE

My name is Jane. I am in Form Two at St. Josephine Bakhita Secondary School. I am sixteen years old and I live in Gitare village, Gilgil Sub-County. I joined St. Josephine Bakhita in the year 2017 in Form One. I chose this school because it has the best facilities that any student would require to prosper in education.

The classrooms are of high standards. The science laboratory is well equipped and makes science practical, fun and interesting. The library is a facility that is remarkable. There are enough textbooks and revision books for us. We appreciate the facilities and especially now with the library, that will help us study better and have more reading materials.

Our discipline is adored by many and our school is admired for the good example we have set. We have qualified and friendly teachers who are always ready to share their knowledge with us. We are also involved in recess and after school activities like football (soccer) and netball (volleyball), to help us grow physically.

Achieving my dreams will become a reality with St. Josephine Bakhita School. As our school motto states: Determination for excellence, that is what I am determined to do. I will do my best to achieve all my dreams.

Truly, this school holds my future!
