September 2019

Dear Benefactors of the Kenya School Project,

In the words of Harriet Tubman, "Every great dream begins with a dreamer. Always remember you have within you the strength, the patience, and the passion to reach for the stars to change the world."

Several years ago, we began with a dream to build a secondary school in the remote village of Gitare, Kenya where there were limited opportunities for education beyond primary (elementary) level. The Holy Family Catholic Community took on this project as a ministry to serve the poor.

In April 2019, we became a non-profit entity by forming a 501 (c) (3) corporation by the name of Gitare Kenya Outreach Inc. Our mission and goals are exactly the same as those of the Kenya School Project. The new non-profit entity will continue raising funds for the completion of St. Josephine Bakhita Secondary School, purchase computers, technology, textbooks, science equipment and sponsor students from very poor families.

Please continue to walk with us on this journey as the dreamers who have the strength, the patience, and the passion to help the children in Gitare, Kenya to reach for the stars to change the world, as Harriet Tubman so eloquently states in her above message.

Enclosed is the newsletter that outlines the progress of the school and its students to date including photos from a February 2019 visit.

We appreciate your financial and prayerful support for our annual appeal this year. Please make your checks out to Gitare Kenya Outreach Inc. and mail to:
